In Bulletin No. 1408 the U. S. Dept. of Agriculture it was stated that flies deposit disease germs in two ways. NEW OIL DISCOVERY IN MEDINA CO.

Hondo was given a new thrill Friday evening when news was spread of the discovery of oil in the well being drilled on the Mrs. Pete Jungman, Sr., farm two and a half miles southeast of Noonan at a depth of 1640 feet.

The well went through some 200 feet of serpentine formation, topped the Georgetown at 1628 feet, dailed 12 feet into it and the tools then dropped about six feet into either a cavity or else a very soft sand.

Oil of high gravity rose 400 feet in the well and the bailer was unable to lower the flow.

It is believed by oil men that a field equal to if not better than the Luling has been discovered.

The well is being drilled by the Shermerhorn people of Tulsa, Oklahoma, a strong company of drillers.

Mrs. Emil Woerner, of New Fountain, was taken to a San Antonio hospital and operated on Saturday morning. Though somewhat improved at this writing, she is still in a very serious condition.

Miss Alice Muennink, daughter of Mrs. Amanda Muennink, is preparing for her first year of college. She will leave the first of next week to enter the Lutheran College at Seguin.

BIG COMPANY HELPS LOCAL MERCHANTS KEEP BUSINESS AT HOME.

How one of the largest manufacturing concerns in the country co-operates with their dealers to keep local business in the hands of local concerns, was interestingly brought out in a talk with one of our leading tire merchants last week.

The company to which he pointed particularly for its work in this direction is The United States Rubber Company, which has perhaps gone further along these lines than any other tire concern.

There are several reasons, aside from the very good point of keeping home money at home, why our own local tire stores are the logical place to buy tires rather than the mail order houses.

Tires need looking after by an experienced tire man. He must have a well equipped and well stocked shop and be able to tell whether a tire is doing its work properly, and if not, why not.

For instance, an expert tire man can tell whether tires are wearing unduly because of the wheels being out of alignment and can correct the trouble in time.

If improperly equalized brakes are causing tire wear, the tire man can tell that and warn the owner.

This sort of service you cannot expect when you buy tires from mail order houses.

The United States Tire Company started eleven years ago to educate people to their interest in supporting the legitimate home town tire dealer.

In addition to running its own educational campaign in local papers without interruption for eleven consecutive years, the Company encourages the dealer to supplement it with advertising of his own and helps him do it. Under certain conditions it even shares the expense of the dealer's own advertising.

Recent improvements in production methods now enable the United States Rubber Company to market through the local dealers, tires of known quality, bearing the Company's trade mark and full warranty, for as little money or even less than the cost of mail order tires or off-brand tires of uncertain value.

PICNIC AND BARBECUE.

Picnics and barbecues on the creek bottom on the S. E. Rieber ranch about 5 miles south of Tarpley have become rather customary.

Two goats which were served as barbecued chevon was delicious and was the principle feature of the picnic.

The occasion of the event was a farewell to Mr. and Mrs. E. S. Rieber who go to Lima where Mr. Rieber will be the principal of the Lima school, a farewell to Miss Cora Rieber who is leaving as a teacher of the LaCoste school and also a farewell to Miss Ruby Rieber who will be a senior in the St. John's School at Hondo.

The following, about five or six score in number, were those who attended:

Mrs. John Turner and son, Will, Mr. Hargraves, Mr. and Mrs. Aug. Mangold and daughter, Hilda, Mr. and Mrs. Fred Monier and son, Leighton, Capt. and Mrs. Grant and son, Mr. and Mrs. Hohenberger and family, Mr. and Mrs. Edgar Rieber and children, Mr. and Mrs. S. E. Rieber and daughters, Cora and Ruby, and Messrs. Oscar Mangold and Harold Rieber all of Tarpley. Mr. and Mrs. Joe Tschirhart of Noonan, Mr. and Mrs. Valentine Mangold and son, Earl, of San Antonio, Mr. and Mrs. P. C. Jarge and son, Clinton, of Hondo, Mr. and Mrs. John Rieber and family, Mr. and Mrs. Alfred Rohrbach, Mrs. Louis Rieber and children, Mr. and Mrs. Joe Rieber and family, and Misses Nettie Rieber, Lena Reinhart, and Margaret and Sylvia Tondre, all of D'Hanis.

ONE OF THE CROWD

AGED WOMAN DIES.

Mrs. Julia Meyer (nee Simon) died at her home near Dunlay, Tuesday, August 24, 1926. Her remains were buried at Castroville Wednesday, August 25th, the last sad rites being performed by the Catholic church of which she had long been a member. The pallbearers were six of her grandsons, namely: Paul Schott, Otto Schneider, Harry Meyer, Joe Meyer, Walter Krenmueller and John Krenmueller.

The deceased was born in Castroville May 21, 1849, and grew to womanhood in that town. She was married to Mr. Ed. Meyer in 1873. To this union four children, two sons and two daughters, were born. One son, Willie Meyer, died March 18, 1926. Three children, Mrs. Katie Schott, Henry Meyer and Mrs. Bertha Krenmueller survive their mother. Seventeen grand children and three great-grand children also survive. Mrs. Meyer was one of a family of six children, four sisters and two brothers, only one of whom survives, Mrs. Katie Mueller of Castroville.

A good wife and mother has gone to her reward in the great beyond and left her aged companion and her children lonely because of her absence. This paper joins in sympathy for them in their sorrow.

Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

A BIRTHDAY DINNER

On Sunday, August the twentieth, Mrs. L. A. Mechler entertained relatives and friends with a sumptuous dinner, honoring Mr. Mechler on the occasion of his 42nd birthday.

After the guests had all arrived and extended congratulations and best wishes to Mr. Mechler, they were ushered into the dining room where a table arrayed with good things, ranging from chicken and salads to pie, awaited them.

After all had done justice to the "eats," several tables of "High Five" were in order during the afternoon. At the conclusion of the games, the

hostess served ice-cream with angel and devil food cake. Thus we came to "the End of a Perfect Day", wishing Mr. Mechler many more such birthdays.

BOILS ALL HIS LIFE—ALL ARE NOW GONE.

Alabamian Says Dodson's Liver Tonic Gave Him Brand New Liver Worth Fortune.

Experience seems to indicate that people store in their systems certain poisons that break out all at once in a series of boils. Sometimes they are fatal.

Willie Hapes says: "Ever since I grew up boils broke out on me just when the planting season began, and I had to lay up. Blood remedies were worthless. The only remedy was calomel, but it seemed to turn my stomach inside out. This spring I got a bottle of Dodson's Liver Tonic and I feel sure it put a new liver into me worth a fortune, for it cleared off the boils and for the first time in years they didn't come back."

The reason for this is the fact that a spoonful of Dodson's Liver Tonic loosens up the liver, lets go of a gorge of impurities, sour bile, fermented food and gas and breaks up the most obstinate constipation. And yet it never makes you sick—no gripe, no pain—even though it may drive out quarts of sour bile as black as ink. And this result is absolutely guaranteed.

Ask your druggist for a bottle of Dodson's Liver Tonic and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel did in all your life, and without griping or making you sick, go back to the store and get your money.

Bad Color (liver trouble)

"OCCASIONALLY I am troubled with spells of constipation and inactive liver," says Mrs. John L. Pence, Broadway, Va. "I always use Thedford's Black-Draught when I feel a spell of this kind, coming on, for it saves me a bad headache. My color gets sallow at times. I get real yellow, showing that the trouble comes from the liver."

"I have found Black-Draught to be the finest kind of a remedy for this. I take Black-Draught and make a tea out of it, and take it, along in small doses for several days. I have never found anything that served me so well."

"Since I have known about Black-Draught, I have not suffered nearly so much with headache, caused from indigestion. If I find my tongue is coated, and I wake up with a bad taste in my mouth, I know I have been eating indigestibly, and I immediately resort to Black-Draught to straighten me out."

LODGE DEMISES.

A bare quorum of what was once an active Odd Fellows Lodge met Monday night in its former hall over the Leineweber building in called session and with sad hearts voted to transfer the entire active membership and the paraphernalia of the lodge to the Uvalde Lodge and cease to function as a separate lodge. Thus by the flickering light of a tallow candle, in the now dismantled home of its former glory, "finnis" was written over what was born so auspiciously some fourteen or more years ago and which had thrived with so much promise for many years.

We do not know what has come over the spirit of the people of Hondo. At one time, the Odd Fellow's hall was used jointly by some six or eight active lodges. One by one they have demised and now that the Odd Fellows lodge has given up the hopeless struggle for existence, the vast hall is tenantless.

What the effect on the social life of the community will be remains to be seen. This together with some three or four pastorless churches is a strange commentary on our beloved community.

SHOWER.

A very pretty "shower" was given in honor of Miss Otillia Davis by her grandmother, Mrs. O. Haralson, on Sunday afternoon.

A pink and white decorative scheme was prettily carried out. A large pink rose, beneath an arch of pink and white, concealed the gifts until time for their bestowal. Ferns and pot plants banked the foot of the arch and added to the beauty of the scene. The chair of honor, to which the bride-to-be was led by Miss Frances Neuman while Lohengrin's Wedding March was played, was placed to the left of the arch and was bound in pink and white to harmonize with the arch.

After the honoree was seated, little Misses Elenora Westfall and Charlotte Davis presented her with the many pretty and useful gifts which the petals of the huge rose had concealed. After passing the gifts to the guests for their admiration, the hostess served delicious refreshments of pink and white brick ice-cream and sponge cake, with roses as plate favors. The wedding cake was then cut and much merriment followed as each guest searched for ring, thimble, etc.

Watch Elimination!

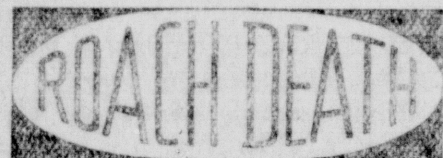

Good Health Depends Upon Good Elimination.

RETENTION of bodily waste in the blood is called a "toxic condition." This often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning properly is often shown by burning or scanty passage of secretions. Thousands have learned to assist their kidneys by drinking plenty of pure water and the occasional use of a stimulant diuretic. 50,000 users give Doan's signed endorsement. Ask your neighbor!

Williamson Hatchery Begun
N. E. Rhodes, contractor for the J. W. Williamson Hatchery, has the building started. It will be a concrete 15 x 20 feet and equipped with a modern incubator, with a 4,608 egg capacity. The building and incubator complete will cost about \$1,600. Mr. Williamson has 300 trap nested hens of the Tona Barron strain which will furnish eggs for the hatchery when it is not needed for the public. This is sure to be a paying proposition in the hands of such a successful poultry man as Mr. Williamson.
